## Centenary Outlet Condition of Sale

Centenary Outlet recommends all products are viewed in-store before making a final decision on your purchase. Centenary Outlet sells non-standard products collectively referred to as "Seconds". They include Seconds graded products, Commercials, Rejects, ROK's (run of kiln) and factory mark-downs. These lines do not meet the higher quality standards to qualify as a First graded product and are therefore not covered by manufacturer or retailer warranty. Faults that can occur may include but are not limited to colour differences and variations, imperfections in size and finish, breakage and chipping within the product packs. The products have been priced accordingly and are sold on a layer-by-layer basis; picking "perfect" product will incur additional charges. Please ensure you thoroughly inspect product quality before making a purchase as there will be no refunds or credits issued on second, commercial and factory marked down stock.

All prices are valid from 1st January 2017 and **while stocks last**.  
All prices may be subject to a delivery charge.  
**All price include GST.**
